THIRD PRESBYTERIAN CHURCH • ROCHESTER, NEW YORK

Dear Katherine, Good to hear from you and know all well. Went to the Cottage Wed. to buy to clean up the leaves, but only took the top layer off, so must go again soon, while this fair weather lasts. Stopped to see Bess. She was having a foursome for bridge and gave me a sample of all the goodies she had made. She looked fine. Do not know about going to Cuba. She may come here after Connie leaves. I still hope to go to Phoenix. If I can get someone to look after the house. We are wise to be with your family. More later. Love to you and Linda.
